LANactive Management Software

LANACTIVE MANAGER COMPANY LICENCE

Aginode Ref: 88301909

The LANactive Manager Company Licence allows the usage of LANactive Manager on multiple PCs with multiple user.

LANactive Management Software

Management Software for all LANactive switches

- Extensive diagnostic functionality
- Secure communication between software, switches and clients

Stand-Alone Version

Aginode LANactive Manager with Stand-Alone Licence is based on the local installation package.

Increased Security

LANactive Manager uses only encrypted and secured communication with the con-nected LANactive switches to increase the security level and avoid unwanted access to data.

Test Version for Evaluation

LANactive Manager can be downloaded free of charge for evaluation purposes. Com-pared to the licensed version, the following restrictions apply:

- Delayed starting screen for registration key request
- Maximum five switches can be saved in a database

Support Portal

The LANactive Manager documentation can be loaded via help menu as a PDF file or at the Aginode ANS Support Portal. Please visit Aginode ANS Support Portal at: https://www.nexans-ans.de/support/
